*Please note that the figures contained in this press release are currently being audited by PRICEWATERHOUSECOOPERS SpA, Ansaldo STS's external auditing company. The results of the audit will be released at the same time as the annual results are approved.*

The Board of Directors of Ansaldo STS met today under the chairmanship of Alessandro Pansa to examine the preliminary estimates for the company's main results for 2007, which are as follows:

**new orders:** EUR 1.53 billion; **order backlog:** EUR 2.93 billion; **revenues:** EUR 970 million; **EBIT:** EUR 100 million; **EBIT margin:** 10.3% ; **net financial position (Cash)** at 31/12/2007: EUR 180 million.

The Board welcomed the results, which confirm that the company has succeeded in reaching its stated targets.

Ansaldo STS will announce the definitive figures on 13 February.

The Board also approved the financial calendar for 2008.
