

Genoa, October 27th 2017

Information to the public

Ansaldo STS (STS.MI) informs that, following the press release issued on October 23rd, in relation to the request to refund payments carried out by AB Storstockholms Lokaltrafik, has made today the payment, without prejudice and under protest, of approximately EUR 45 million, including VAT and interests.

The Company, in case of needs, will take any necessary action to protect its rights.

As soon as possible and based on the evaluations the Company is carrying out, any impact affecting 2017 guidance already approved will be provided.

Any update, also in relation to the continuation of the project, will be promptly communicated.
